

TECHNICAL INFORMATION

Product name: Manual Centrifuge

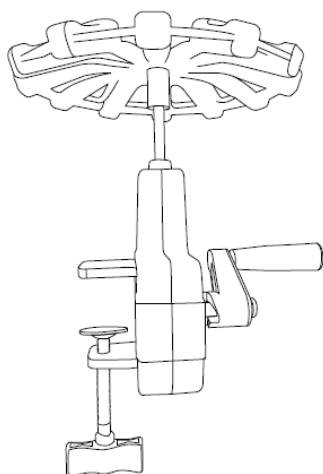

Product description: Portable hand centrifuge without electrical function

Item number: 000P00501

Production site: Rheinstr. 17, 14513 Teltow, Germany

Origin: Federal Republic of Germany

Manufacturer: BioAnalyt GmbH

Product Type	Manual Centrifuge
Maximum Capacity of Rotor Blade	12 x 3 mL
Maximum Vial Length	60 mm
Maximum Vial Diameter	12.3 mm
Maximum Rotation Speed	3000 min ⁻¹
Dimensions (W x L x H)	19 x 19 x 24 cm
Weight	1.0 kg

All processes involved in the assembly of this product are according to quality management system (DIN EN ISO 9001: 2015) certified by TÜV Nord in Germany.

Dr. Anna Zhenchuk
QC-Manager BioAnalyt GmbH
